

PRIVACY POLICY – World Telematics

World Telematics is committed to protecting the personal and vehicle data of its users in compliance with relevant Pakistani laws and PTA guidelines.

1. Data We Collect

- Personal Data: Name, phone number, CNIC, vehicle registration, etc.
- Device Data: GPS coordinates, engine status, speed, fuel consumption (if applicable)
- Technical Data: IP addresses, device health, GSM signal strength

2. Purpose of Data Collection

- To provide real-time tracking and reporting to our clients
- To ensure service continuity, troubleshooting, and security
- To comply with Pakistan Telecommunication Authority (PTA) regulations and lawful requests

3. Data Storage & Retention

- Data is stored securely on servers compliant with industry standards.
- Location history is retained for a period as per client agreement or legal requirement (typically 3–12 months).

4. Data Sharing

- We do not sell personal data to any third party.
- Data may be shared with law enforcement or regulatory bodies upon legal request.
- Select data may be shared with telecom operators or service integrators to ensure functionality.

5. Security

- SSL encryption and access control are used to safeguard data.
- Access to data is restricted to authorized personnel only.

6. User Rights

- Clients may request access, correction, or deletion of their data via formal request.
- Consent to process data is implicit upon contract signing and device activation.
