

TERMS AND CONDITIONS – World Telematics

By using our tracking services and solutions, you agree to the following terms:

1. Ownership of Devices

All tracking devices provided by World Telematics will remain the property of World Telematics, unless a written agreement specifies otherwise. Devices must be returned upon service cancellation or termination, or the client will be liable for the full replacement cost.

2. Service Commitment

- Clients agree to maintain an active subscription for the minimum duration of the service contract (e.g., 12 months unless otherwise agreed).
- Premature termination of services may result in applicable early termination charges.

3. Data Accuracy & Coverage

- Location and telemetry data are based on GPS/GSM availability.
- World Telematics is not liable for service disruptions due to network unavailability, SIM failure, tampering, or power disconnection from the vehicle.

4. Device Installation and Tampering

- Devices must be installed by authorized World Telematics technicians.
- Any tampering, unauthorized removal, or misuse of the device will void service warranties and may incur penalties.

5. Limitation of Liability

World Telematics shall not be held responsible for any direct or indirect loss, theft, or damages resulting from the use of the tracking service, including but not limited to, failure to prevent a vehicle theft or track a vehicle.

6. Changes to Terms

World Telematics may update these terms with notice on the website. Continued use of the service constitutes acceptance of the updated terms.

7. Jurisdiction

All disputes shall be governed by the laws of Pakistan and resolved in the jurisdiction of Karachi or another agreed location.
